Your FNB Gold Account savings options make saving for the things that matter most **easy and convenient**

Our wide range of savings and investment solutions provide you with the flexibility and access you need to grow and protect your money. These products have been centered around finding the right solution for you whether it's saving for immediate needs or long-term goals.

FNB Savings Pocket

Each swipe gets you more savings

With Bank Your Change®, your purchase amount is rounded up into your savings pocket. Want to save more than the rounded up amount? Its easy, simply top up to increase your savings each time you swipe.

See your savings grow

Why wait to see how your savings have grown when you can do it whenever you want via the FNB App.

Get instant access to your funds for unexpected expenses

With Bank Your Change®, there is no need to queue to transfer your savings from your Savings Pocket to your Gold Account. Simply do it via the FNB App.

Don't have Bank Your Change yet? This is how it works

1

You buy goods to the value of E266.50 using your FNB card.

2

E267.00 is debited from your account.

3

The amount gets rounded up to the nearest E1 (in this case E267)*

4

The difference (in this case E0.50) is deposited into your linked savings account

5

You have automatically saved E0.50 with Bank Your Change®
